Dear Mrs. Moro:

The January 6, 1983 meeting of the Carbondale Historical Society was greatly enriched not only by your presence but also by the address that you delivered to the group. Thank you very much for having attended the meeting and for having addressed the group.

Had you not been present at the meeting and had you not reminded Postmaster Barrett of a promise that the United States Postal Service made to the city of Carbondale some years ago, the city of Carbondale would not, in the future, have a substation of the United States Postal Service on Main Street. Thank you for your concern not only for Carbondale's senior citizens but also for Carbondale's historically important Main Street.

Sincerely yours,

S. Robert Powell
